

FOOD BIOTECHNOLOGY CONFERENCE

8–9 September 2026 | Sion, Switzerland

SPONSORSHIP OPPORTUNITIES

Supporting scientific exchange in food biotechnology

Total attendees:

Approximately **150 participants** comprising a focused and highly engaged food biotechnology community

Key audience:

- **Academic researchers** from universities and research institutes, including **early-career scientists**
- **Industry professionals** from food, biotechnology, and allied sectors, including R&D, innovation, and product development roles
- A balanced mix of **research**, **application**, and **commercialization** perspectives, fostering meaningful academic–industry exchange

Benefits

Brand Awareness

Your brand will gain prominent visibility throughout the conference, including on slides, banners, the abstract book, website, social media, and newsletters.

Lead Generation & Engagement

Engage directly with participants through exhibition stands, distributed materials, and presentations in selected sessions.

Scientific Leadership & Visibility

Position your company as a leader in food biotechnology with session sponsorship, official recognition, and featured profiles in conference communications.

Marketing Collateral & Digital Presence

Extend your reach with full-page adverts in the abstract book and lasting exposure through online profiles and digital materials.
