

Prokaryotic Electron Transfer

10 - 13 March 2027 | Évora, Portugal

Sponsorship Opportunities

100+ participants

A focused audience from prokaryotic electron transfer, microbial physiology, bioenergetics, and redox biology sectors.

Key audience:

- **Academic researchers** from universities and research institutes, including **early-career scientists**
- **Industry professionals** working in biotechnology, prokaryotic biology, electron transfer and microbial systems
- Professionals from across **research, application and commercialisation**

Benefits

Brand visibility

Increase your visibility through **conference slides, banners, the abstract book, website, social media and newsletters.**

Direct engagement

Connect with participants through **exhibition stands, promotional materials and selected presentation opportunities.**

Session sponsorship

Gain visibility through **session sponsorship, on-site recognition and inclusion in conference communications.**

Print & digital exposure

Promote your organisation through **full-page adverts in the abstract book and online conference materials.**
